BSB42015 Certificate IV in Leadership and Management

Overview:

This qualification reflects the role of individuals working as developing and emerging leaders and managers in a range of enterprise and industry contexts.

As well as assuming responsibility for their own performance, individuals at this level provide leadership, guidance and support to others. They also have some responsibility for organising and monitoring the output of their team.

They apply solutions to a defined range of predictable and unpredictable problems, and analyse and evaluate information from a variety of sources.

Course delivery & structure:

Delivery underpins our philosophy that work is the learning and learning is the work. We deliver a combination of formal training sessions and mentoring. We utilise a mix of on-the-job observation and questioning, and workplace based projects throughout our assessment tasks.

Participants are encouraged to challenge their existing knowledge and extend their boundaries whilst they expand their skill base.

To successfully attain the BSB42015 Certificate IV in Leadership and Management, students are required to complete a total of twelve (12) units of competency, comprising of:

- 4 core units, and;
- 8 elective units, of which:
 - 4 units must be from Group A elective units over page;
 - 4 units may be selected from Group A or Group B;
 - if not listed below, 1 of the elective units may be selected from any currently endorsed Training Package or accredited course at a Certificate IV level or above.

Delivery Mode:

BSB42015 Certificate IV in Leadership and Management
