TLI21616 Certificate II in Warehousing Operations

Overview:

This qualification reflects the role of individuals working in the warehousing and storage industry.

Individuals at this level generally work within a team, under the supervision of a manager. They may be working to organise stock or pick and process orders, on the floor in a warehouse, or in a store. They can follow occupational health and safety procedures and may be able to work as a forklift operator.

Course delivery & structure:

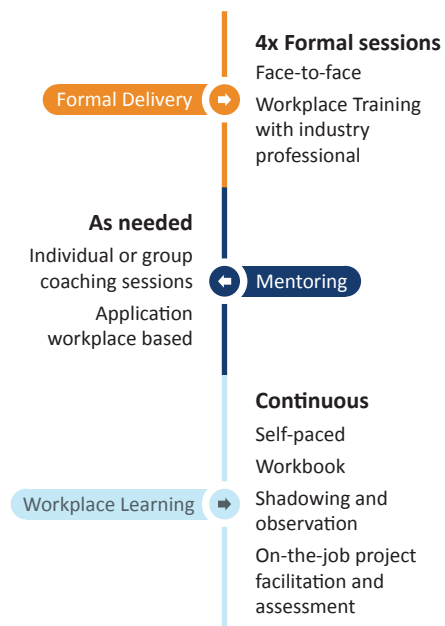

Delivery underpins our philosophy that work is the learning and learning is the work. We deliver a combination of formal training sessions and mentoring. We utilise a mix of on-the-job observation and questioning, and workplace based projects throughout our assessment tasks.

Participants are encouraged to challenge their existing knowledge and extend their boundaries whilst they expand their skill base.

To successfully attain the TLI21616 Certificate II in Warehousing Operations, students are required to complete a total of sixteen (16) units of competency, comprising of:

- 3 core units, and;
- 13 elective units, of which:
 - up to 3 units may be selected from any currently endorsed Training Package or accredited course.

Delivery Mode:

TLI21616 Certificate II in Warehousing Operations

Duration:

This program is typically delivered over 12-24 months.

Projects:

We believe to get the most out of a program, training should be applicable to a trainees job role. Projects directly impact and relate to your business.

Workplace mentors:

a workplace mentor will be assigned from within your business. This ensures that knowledge and skills are reinforced throughout the program.

This nationally recognised qualification is delivered by Flexible Training Solutions RTO ID 6333. It provides skills and knowledge to the industry standard. We actively tailor training for people from diverse backgrounds, including those with disabilities, and encourage all to apply.
