

TLI31216 Certificate III in Driving Operations

Overview:

This qualification reflects the role of individuals working in driving operations job role within the Transport and Distribution industry. They have the appropriate licence to operate commercial vehicles.

Individuals at this level have the skills to operate heavy general freight vehicles. They have the training to work with multi-axle vehicles, including loading and unloading and inspections, following health and safety procedures. They have suitable fatigue management strategies in place and may work as interstate drivers.

Course delivery & structure:

Delivery underpins our philosophy that work is the learning and learning is the work. We deliver a combination of formal training sessions and mentoring. We utilise a mix of on-the-job observation and questioning, and workplace based projects throughout our assessment tasks.

Participants are encouraged to challenge their existing knowledge and extend their boundaries whilst they expand their skill base.

To successfully attain the TLI31216 Certificate III in Driving Operations, students are required to complete a total of eighteen (18) units of competency, comprising of:

- 6 core units;
- at least one licensing or industry unit relevant to the vehicle type applicable to the job role over page;
- all units within Group A Heavy General Freight, and;
- 6 elective units, of which:
 - all units may be selected from the elective units;
 - up to 3 units may be selected from any currently endorsed Training Package or accredited course at the same qualification level.

Delivery Mode:

TLI31216 Certificate III in Driving Operations

Duration:

This program is typically delivered over 12-24 months.

Projects:

We believe to get the most out of a program, training should be applicable to a trainees job role. Projects directly impact and relate to your business.

Workplace mentors:

a workplace mentor will be assigned from within your business. This ensures that knowledge and skills are reinforced throughout the program.

This nationally recognised qualification is delivered by Flexible Training Solutions RTO ID 6333. It provides skills and knowledge to the industry standard. We actively tailor training for people from diverse backgrounds, including those with disabilities, and encourage all to apply.
