BSB40215 Certificate IV in Business

Overview:

This qualification reflects the varied roles of individuals working in business roles in a range of contexts including administrators and project officers. Individuals at this level may provide leadership or guidance to individuals or a team with limited responsibility for the work of others.

Individuals at this level may be responsible for the protection and use of a range of intellectual properties and copyrights owned by the business. They have an understanding of workplace procedures, including applying WHS legislation on the job and may be in charge of implementing and monitoring sustainable work practices within the business.

Course delivery & structure:

Delivery underpins our philosophy that work is the learning and learning is the work. We deliver a combination of formal training sessions and mentoring. We utilise a mix of on-the-job observation and questioning, and workplace based projects throughout our assessment tasks.

Participants are encouraged to challenge their existing knowledge and extend their boundaries whilst they expand their skill base.

To successfully attain the BSB40215 Certificate IV in Business, students are required to complete a total of ten (10) units of competency, comprising of:

- 1 core unit, and;
