TLI41816 Certificate IV in Warehousing Operations

Overview:

This qualification reflects the role of individuals working as a leader in the warehousing and storage industry.

Individuals at this level have advanced leadership skills and are in charge of a team of warehouse workers, arranging workflow, monitoring stock levels, and providing reports to management. They facilitate conflict resolutions within their team and help facilitate and maintain a safe and OH&S compliant workplace.

Course delivery & structure:

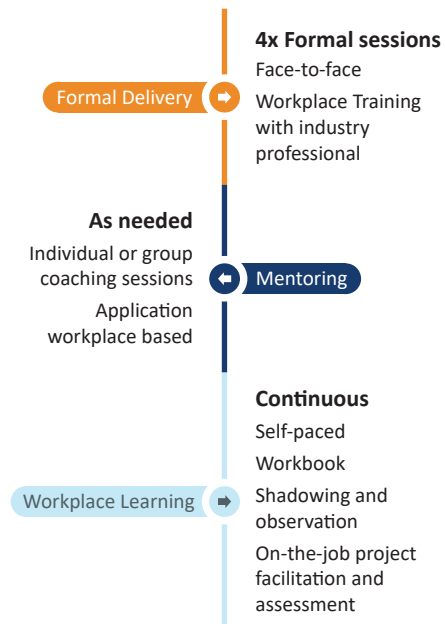

Delivery underpins our philosophy that work is the learning and learning is the work. We deliver a combination of formal training sessions and mentoring. We utilise a mix of on-the-job observation and questioning, and workplace based projects throughout our assessment tasks.

Participants are encouraged to challenge their existing knowledge and extend their boundaries whilst they expand their skill base.

To successfully attain the TLI41816 Certificate IV in Warehousing Operations, students are required to complete a total of twenty-one (21) units of competency, comprising of:

- 3 core units, and;
- 18 elective units, of which:
 - 15 units must be selected from the elective units listed over page;
 - up to 3 units may be selected from any currently endorsed Training Package or accredited course.

Delivery Mode:

TLI41816 Certificate IV in Warehousing Operations

Duration:

This program is typically delivered over 12-24 months.

Projects:

We believe to get the most out of a program, training should be applicable to a trainees job role. Projects directly impact and relate to your business.
