

CERTIFICATE II IN DRIVING OPERATIONS (TLI21221)

OVERVIEW:

This qualification reflects the role of individuals working in a driving operations job role within the Transport and Distribution industry. They have the appropriate license to operate commercial vehicles. Individuals at this level can perform a range of routine driving tasks and procedures including using road maps, inspecting vehicles and trailers, and securing cargo. They have suitable fatigue management strategies in place and can follow occupational health and safety protocols. They likely work in short haul driving operations roles.

DELIVERY:
