

TRANSPORT INDUSTRY BLUECARD TRAINING

TLIF0025 – Follow work health and safety procedures

COURSE OVERVIEW

BlueCard is the industry-recognised certification that ensures workers in Transport and Logistics understand and follow critical WHS procedures. Completing this training ensures your employees are prepared to work safely, minimising risks on the job.

The course for BlueCard is based on the nationally accredited unit TLIF0025 – Follow work health and safety procedures, ensuring your workforce is trained to the highest safety standards.

BENEFITS

Foundation of Safety: Set the minimum safety standard for your employees and organisation.

Real-Time Verification: Digital BlueCard credentials are issued through the BlueCard Skills Passport, providing secure, real-time verification of your work health and safety competency.

Renewable & Up-to-Date: BlueCards are valid for 5 years, helping your workforce stay up-to-date with changing regulations and WHS standards.

Boost Productivity: A trained, safety-conscious workforce reduces downtime, accidents, and improves overall productivity.

Compliance Assurance: The training supports your business to meet WHS regulations and demonstrate compliance effortlessly.

Industry-Endorsed Quality: Only RTOs endorsed by TEACHO Ltd. can deliver the course for the issue of a BlueCard, ensuring top-tier training quality by experienced trainers.
