

## TLI40619 Certificate IV in Warehousing Operations

### Overview:

This qualification reflects the role of individuals working as a leader in the warehousing and storage industry.

Individuals at this level have advanced leadership skills and are in charge of a team of warehouse workers, arranging workflow, monitoring stock levels, and providing reports to management. They facilitate conflict resolutions within their team and help facilitate and maintain a safe and OH&S compliant workplace.

### Course delivery & structure:

Delivery underpins our philosophy that work is the learning and learning is the work. We deliver a combination of formal training sessions and mentoring. We utilise a mix of on-the-job observation and questioning, and workplace based projects throughout our assessment tasks.

Participants are encouraged to challenge their existing knowledge and extend their boundaries whilst they expand their skill base.

To successfully attain the TLI40619 Certificate IV in Warehousing Operations, students are required to complete a total of twenty-one (21) units of competency, comprising of:

- 3 core units, and;
- 18 elective units, of which:
  - up to 3 units may be selected from any currently endorsed Training Package or accredited course.

### Delivery Mode:
